## Mansfield Plumbing releases new suite in its 'Affordable Style' collection

*-- The Brentwood Suite's clean lines and classic style  
elevate the sophistication of any bathroom --*

PERRYSVILLE, Ohio (March 5, 2012) – Mansfield Plumbing Products (Mansfield) announces the availability of its Brentwood Suite, the newest addition to its line of stylish, affordable bathroom suites. The elegant Brentwood joins a collection that already includes award-winning suites like the Enso®, Reo™ and Barrett™.

“Now with the unveiling of our Brentwood Suite, homeowners have even more options when choosing affordably priced decorative bathroom fixtures,” says Charles Scott, vice president of marketing for Mansfield Plumbing. “Thanks to its elegant and timeless design, the Brentwood is an easy way to add beauty and sophistication to any bathroom.”

The Brentwood Suite’s detailed beveled edges, scalloped corners and clean flat surfaces are seen in all the suite’s fixtures:

- **Brentwood Tubs:** In addition to a soaking-tub option, homeowners can also enjoy spa amenities with whirlpool and air-bath configurations. All tubs are roomy and deep, and reflect a minimalistic design.
- **Brentwood Lavatories:** With both the self-rimming and under-counter models, homeowners can enjoy the rectangular basins that have become so popular with designers.
- **Brentwood Toilet:** The matching elongated, SmartHeight™ ADA toilet features a concealed trapway for easy cleaning which is the consumer’s number 1 requested upgrade feature.

Mansfield Plumbing’s “Affordable Style” suites allow homeowners to create seamless experiences in their bathrooms with designs that reflect their personal styles. The Brentwood adds even more variety to a collection that delivers top-quality and designer style at an affordable price. For more

### **ABOUT MANSFIELD PLUMBING**

Mansfield precision manufactures more than 2.5 million pieces each year at its U.S. headquarters in Perrysville, Ohio. Two other plants operate in the U.S.: Big Prairie, Ohio, and Henderson, Texas. With almost 500 employees, Mansfield is one of the largest domestic producers of sanitary ware, and is proud to say many of the products are “Made in the USA.” Mansfield’s plumbing fixtures and fittings are available through one of the industry’s most extensive networks of more than 2,800 distributors located throughout the U.S., Puerto Rico and Canada. Additionally, the company’s plumbing products are sold through select retail, do-it-yourself home improvement centers and designer kitchen and bath showrooms. Mansfield Plumbing Products, founded in 1929, was purchased by Corona (one of the world’s largest manufacturers of china) in 2004 and is a leading producer of top quality, high-design, performance plumbing fixtures and fittings for use in residential, commercial and institutional markets.
