Chrome Center-Set Bath Faucets

\$58

The Marquette faucet (7764SF; at The Home Depot) installs without tools and has a valve that prevents drips. American Standard; 800/442-1902; americanstandard-us.com

\$136

A cartridge in the Varese center-set faucet (84948; at Menards) limits water flow to 1.5 gallons per minute. Lever handles flank the 7-inch high-arc spout. Moen; 800/289-6636; moen.com

\$215

Lead-free and Water Sense-certified, the Alexandria faucet (SB-1111) combines traditional styling with modern efficiency. Speakman; 800/537-2107; speakmancompany.com

Wooden Kitchen Carts

\$90

A granite top gives this pine and medium-density fiberboard cart style. The drawer, slatted shelf, wire basket, and wine rack add function. JCPenney; 800/322-1189; jcpenney.com

\$318

Cherry stain accents the Roll About kitchen cart (80027), which has a hardwood top, a drawer, and towel bars. Catskill Craftsmen; 607/652-7321; catskillcraftsmen.com

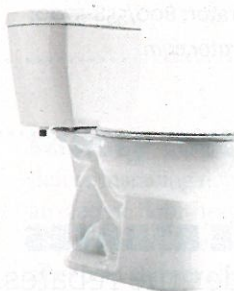

\$839

The QCL Deluxe Culi cart boasts a maple top, a 48x24-inch work surface (including drop-down leaf), and an outlet strip. John Boos & Co.; 217/347-7701; johnboos.com

High-Efficiency Toilets

\$233

A 3-inch valve helps the gravity-fed Viper toilet (HE-21-500) with color-matched tank lever use only 1.28 gallons per flush. Gerber Plumbing Fixtures; 866/538-5536; gerberonline.com

\$308

The ultra-high-efficiency Stealth toilet (N7716) enlists a quiet pressurized action to draw a miserly 0.8 gallons per flush. Niagara Conservation; 800/831-8383; niagaraconservation.com

\$407

Lift the lever of the EcoQuantum (146-119) for 1.6 gallons to flush solids; push it down for just 1 gallon to flush liquids. Mansfield Plumbing Products; 877/850-3060; mansfieldplumbing.com
