RAISING THE STANDARDS

Today's top toilets offer unparalleled performance and stylish looks to suit any decor.

1. FIERCE FLUSH The wide trapway on this toilet moves 70 percent more solid waste than the standard trapway—creating an easier flush. **Portsmouth Champion Round Front Right Height**, \$459–\$572, American Standard, 800/442-1902, americanstandard-us.com.

2. PRETTY AND PRACTICAL Chair height and an elongated front make this toilet comfortable; a concealed trapway makes it easy to clean. Style bonus: The round front on the base and tank adds decorative detail. **Barrett**, \$357–\$445, Mansfield Plumbing, 877/850-3060, mansfieldplumbing.com.

3. BATH FURNISHINGS This furniture-inspired design with curved details adds a homey touch to a modern-style toilet. **Duravit Esplanade**, \$2,435–\$2,910, Duravit, 770/931-3575, duravit.us. **4. CLEAN TECHNOLOGY** Double-cyclone technology drives water around the bowl twice to conserve water, reduce bacteria, and make the toilet easier to clean. **Carolina II Double Cyclone**, \$900, TOTO, 888/295-8134, totousa.com.
