# Rebuilding America

One toilet at a time.

Alto RF Toilet Shown  
MaP Ratings  
1.6 = 800 g  
1.28 = 600 g

In 2012, Mansfield Plumbing Products will manufacture millions of pieces of sanitaryware in our U.S. facilities. That makes us one of, if not the largest U. S. producer of vitreous china fixtures. Mansfield will put more Americans to work in 2012 than we did the year before. Our company is proud to make good quality toilets, lavatories and urinals and stamp them "Made in the U.S.A."

American Muscle is not only about our U.S. workforce. It's also about our outstanding flush performance. Just ask a Mansfield Representative about our dramatically improved MaP ratings.

**Made in America - Outstanding Flush Performance**

**That's American Muscle!**

# I trust every product.

## Anvil: the importance of integrity

At Anvil International, we believe in our products because we work as a team toward a common goal: excellence. People with pride build our products to surpass customer expectations. Their integrity nurtures trust with our customers – a trust we take very seriously. We believe in delivering great products, accurate information, and timely shipping so you can get on with your job. It's the best way we know to build connections that last – product to application, people to people.

## INDUSTRY & PRODUCT NEWS

### MANSFIELD PLUMBING

#### OFFERS NEW RESTORE WALK-IN TUB

As we age, balance and agility can sometimes be a challenge. The Restore minimizes the risk of slipping and falling. The Restore is taller than a standard tub with a water-tight door. Because of its innovative design, even users with limited mobility are able to enter and exit easily.

#### Features and Benefits:

- 51-1/2" x 30" x 40" Walk-In Tub
- Taller than standard tub with sculpted 17" high seat (ADA), allows the bather to remain in an upright position while being completely submerged in water
- Water-tight, inward swinging door with Lifetime Guarantee on the seal gives users with limited mobility a safe and easy entry and exit
- Easy door locking system
- Rich, high gloss finish and slip resistant floor
- Adjustable one-inch steel frame with adjustable feet
- Replaces standard size tub with right or left hand drain and fits through a standard 32" bathroom doorway
- Available in Soaker, Whirlpool, Air Bath and Combination Bath in both left and right-hand drain options
- Cable waste and overflow standard on all configurations
- In-line heater standard on whirlpool and combination units
- Heating element standard on air bath blower
- Outstanding Protection - 10 Year Warranty on shell, 5-Year labor warranty on all factory installed components, lifetime warranty on the door seal.
