

# PERFORMANCE & PRIDE

Mansfield® Summit Toilets  
Made in USA. American Quality.

8 different models, all made in USA.

Mansfield's Summit Toilets provide outstanding performance with a variety of models available.

Selling Made in USA products is about reliability and commitment. Manufacturing closer to home means:

- Shorter lead times
- Lower inventory
- Higher margins
- Superior quality

### Great Performance

800-1000 grams MaP rating.

### Pilot-Operated, Anti Siphon Valve

Compared to traditional ballcocks the pilot-operated fill valve is more consistent over a wide range of water pressures. It features a patented shut-off and easily adjusts to the optimum water level.

### 3-Bolt Installation

The 3-bolt system provides a sturdy and level connection between tank and bowl and prevents rocking and leaking.

### Universal Design

Complements any bathroom decor.

### Multiple Solutions

Available in 4 configurations covering all your application needs: Round front, Round front SmartHeight™, Elongated and Elongated SmartHeight™.
