Technical Information

Optional Removable Apron not available on this unit.

Installer note: Due to the free-form shape of this tub, it is recommended that the tub be on the jobsite before making the final cut out for drop-in installation.

These dimensions are nominal and subject to change without notice.

When tested for compliance to the requirements of ASME A112.19.7M for "Whirlpool Bath Appliances" and ANSI Z124.1.2M "American National Standard for Plastic Bathtub and Shower Units", the tested units are found to comply and are acceptable for listing under IAPMO R & T. Certified for permanent electrical connection only.
