LEB08BATHWARETRIFOLD 08/2016

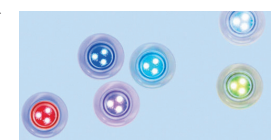

Hydro-V Back Jet System – features six to eight jets strategically placed to provide the ultimate therapy for your back. The volume of each jet is individually adjustable, allowing you to customize the massage to your preference by turning the jet ring clockwise or counter-clockwise to increase or decrease the amount of flow. *Included standard on all whirlpool models except Ambria.*

Metal Finish Trim Upgrade – Upgrade your whirlpool trim to Chrome, Everbrass (PVD), Brushed Nickel or Oil Rubbed Bronze trim including jets, intake, air switch button and air controls.

Factory Installed Inline Heater – Upgrade your whirlpool to include an inline heater to guarantee continuous water warmth during your bath. *Included standard with luxury package.*

Chromatherapy Light System – Pick your mood by selecting from one of seven different colors or relax as the colors slowly change in sequence. *Included standard with luxury package whirlpools and Ariance air massage baths, not available with basic package whirlpools.*

Cable Drain – This option provides fast and easy draining with a simple twist that opens the drain. Choose from Chrome, Brushed Nickel or Oil Rubbed Bronze.

Factory Installed Nailing Flange – Code-approved nailing flange option makes watertight installation easy and secure. The nailing flange can be installed for your particular design, just specify where it's needed.

Nailing Flange Kit – Code-approved option kit features flange material, tape and instructions. Makes watertight installation easy on the jobsite.

Removable Apron – Option provides quick and easy access through a removable apron to whirlpool pump and interior parts (availability dependent on model).
