Immerse yourself in complete relaxation.

Mansfield® whirlpool systems, air baths and soaking tubs offer everything you ever dreamed of in design, comfort and performance. And we add one more stress-reducing element no one can match: affordability. Discover the true pleasure of affordable style with baths from Mansfield.

Acrylic Soaking Tubs

Made of lightweight yet durable acrylic, these tubs are designed and significantly deeper than standard tubs for total relaxation.

Swirl-way® Whirlpool Systems

Precisely targeted jets of water provide a deep tissue massage. Six jets target the shoulders, while additional jets are available in two packages:

Ariance® Air Massage Systems

Air massage baths inject streams of therapeutic bubbles. Choose the GentleTouch™ for a soft, soothing massage or the Performance System, which con-

Our cast acrylic, Mansfield soaking tubs are ergonomically designed, deeper than standard bathtubs, allowing you to fully immerse

Massage Systems

Our massage systems provide the same combination of relaxation and rejuvenation. Up to eight jets deliver the ultimate massage to your back and neck, target the neck, legs and feet. Swirl-way whirlpool baths are available in Basic and Luxury.

Massage Baths

Our massage baths combine millions of air bubbles into the water, surrounding you with millions of bubbles. Choose the HealthTouch™ for a rigorous deep muscle massage; the Soothing massage; or the DualTherapy™ Complete which combines both in a single bath.
