

# RESTORE™ WALK-IN TUB

## FEATURES

- 51 ½" x 30" x 40" Walk-in Tub
- Taller than standard tub with sculpted 17" high seat (ADA), allows the bather to remain in an upright position while being completely submerged in water
- Water-tight, inward swinging door with Lifetime Guarantee on the seal gives users with limited mobility a safe and easy entry and exit
- Non-rusting door hinge and handle
- Easy door locking system
- Available in white
- Rich, high gloss finish and slip resistant floor
- Adjustable one-inch steel frame with adjustable feet
- Replaces standard size tub with right or left hand drain and fits through a standard 32" bathroom doorway
- Removable access panels allow for complete access to components
- Available in Soaker, Whirlpool, Air Bath and Combinations in both left and right hand drain options
- Outstanding Protection - 10 year warranty on shell, 5 year warranty on all factory installed components
