Vanquish®

Vanquish® from Mansfield® makes the terrible task of keeping the toilet clean easier than ever for busy families. With revolutionary and durable side-mount seat hinges, an ultra-smooth PuraClean® glazed surface and twice the rinsing power, cleaning the toilet is no longer the worst job in the house.

AWARD WINNER

As awarded by The Chicago Athenaeum: Museum of Architecture and Design.

OUT-OF-THE-WAY TOILET SEAT HINGES

Vanquish® features toilet seat hinges on the side, not on top. So instead of hard-to-clean corners, you get an easy-to-wipe surface that cleans up quickly. This durable design has been life cycle tested so you have years of worry-free use.

2X THE RINSING POWER

Vanquish® uses the same 1.28 or 1.6 gallons per flush as other low-flow toilets, yet directs double the amount of water to rinsing the bowl — which means you'll need to clean it less often.
